Option subjects that are **not** doing a mock written exam in November 2025:

- o Music - Option block C
- o Sports Studies (Cambridge National) – Option block A
- o Health and Social Care (BTEC Tech Award) – Option block A & B

In the same way that we did for the Year 10 Summer Exams, in place of an exam, you will spend 2 hours with your subject teacher, working on your coursework/NEA/PSA that contributes to your overall qualification.

Option Block C- Triple Science – You will be completing your Triple Science mock exams during the Science timetabled mocks. So you will have a 2 hour lesson with your Triple Science teacher(s) at the time of the Option Block C mock exams.
